

BIC BRAIN INJURY HOME AT BANNER AVENUE

ROOM NOW AVAILABLE

Our 24-hour, 6-bed, Adult Residential Facility is located in the heart of Ventura.

OVERVIEW

ABOUT THIS PROPERTY

Banner House is a well-appointed residence with expansive landscapes, open yard, patios and gardens. Activities are client-centered with special focus on both cognitive and physical rehabilitation support. Meals use organic non-GMO ingredients that accommodate a wide variety of dietary preference. Banner house staff are led by Certified Brain Injury Specialists with Administrative credentials from the State of California. Our highly skilled Caregiver staff have training and experience in both personal care and brain injury.
